

Matthew B. Jané

Meta-Scientist · Forensic Research Analyst · PhD Candidate, Quantitative Psychology

matthewbjane.com | matthew.jane@uconn.edu | ORCID 0000-0002-3121-7769 | Google Scholar | github.com/MatthewBJane

SUMMARY

Meta-scientist and forensic research analyst who detects fabricated data, statistical errors, and research misconduct in published medical and clinical research. PhD candidate in Quantitative Psychology at the University of Connecticut with expertise in meta-analysis, clinical trial methodology, and evidence synthesis, and creator of Audit Clinical Evidence (ACE), which audits published clinical trials for research integrity violations.

PROFESSIONAL EXPERIENCE

Forensic Analyst

Aug 2025 – Dec 2025

The Medical Evidence Project, The Center for Scientific Integrity, New York, NY (remote)

- Investigated published medical and clinical research for fabricated or falsified data, statistical errors, and misconduct.
- Reanalyzed reported statistics and trial data to test internal consistency and plausibility; wrote investigation reports.

Graduate Assistant (Research and Teaching)

Jan 2021 – Aug 2025

University of Connecticut, Storrs, CT

- Systematic Health Action Research Program (2022–2025; Dr. Blair Johnson): meta-analysis of health research.
- Sensory Perception and Neuroscience Laboratory (2020–2022; Drs. Read and Chrobak): experiments and data analysis.
- Teaching assistant: Principles of Psychological Research; Sensory Neuroscience Laboratory.

EDUCATION

Ph.D., Quantitative Psychology and Neuroscience

Sep 2022 – Present

University of Connecticut · Advisor: Dr. Blair Johnson · GPA: 3.94

Dissertation: Correcting bias in meta-analysis: Comparing Rubin's effect size surface to Hunter and Schmidt's study-level correction procedures

M.S., Behavioral Neuroscience

Jan 2021 – Aug 2022

University of Connecticut · Advisor: Dr. Heather Read · GPA: 3.97

B.S., Computational Neuroscience

Aug 2016 – Dec 2020

University of Connecticut · Advisor: Dr. James Chrobak · GPA: 3.14

ADDITIONAL EXPERIENCE

Creator and Lead Auditor

Sep 2026 – Present

Audit Clinical Evidence (ACE)

- Lead independent audits of published clinical research for statistical errors, data inconsistencies, and integrity violations.
- Direct study identification, statistical analyses, report development, and project standards.

Statistical Consultant

Sep 2023 – May 2025

Self-employed

- Statistical consulting for labs and companies in genetics, agriculture, clinical psychology, and exercise physiology.

PUBLICATIONS

* Equal contribution.

SKILLS AND PROFESSIONAL SERVICE

Statistical methods	Meta-analysis, forensic meta-science, clinical trial analysis, regression, simulation.
Research integrity	Detecting statistical errors, data inconsistencies, and fabricated or manipulated data.
Programming and tools	R, Python, MATLAB, Quarto, LaTeX, Git and GitHub.
Peer review	<i>Psychological Bulletin</i> , <i>Collabra: Psychology</i> , <i>British Journal of Psychology</i> , <i>The Unjournal</i> .
Memberships	Science Integrity Alliance.
